

# Florida Discovery Sunshiners

Welcome Fellow Discovery Owners,

On behalf of myself, the board and our club members we want to welcome you to our **Florida Discovery Sunshiners** club. We are looking forward to meeting you if we have not already. We think you will find our club to be fun and full of great people. We are sure you will make many new friends when you join us at our various rallies. As stated in our bylaws our mission is “Enjoying our Discovery coaches and discovering our friends”.

We try to have 6 or 7 rallies a year and spread them throughout Florida, and maybe sometimes into Georgia. Your friends are always welcome to attend any of our *local* club rallies, even if they are not Discovery owners, they just will not be able to become members, unless they own or buy a Discovery.

You will find included with this letter, a copy of our latest bylaws and standing rules, a current membership roster, an information sheet including current officers, website and facebook information, where to get your club shirts and badges and tips on hosting a rally.

Be sure to utilize the DOAI website [www.discoveryowners.com](http://www.discoveryowners.com) it is full of great and useful information including our scheduled rallies and other states and national club events and rallies.

Again, welcome to **Florida Discovery Sunshiners** and happy and safe RVing.

Best wishes,

Bill Kuhn  
President
