12:00 Check out

As part of our Christmas Rally, we would like to donate to a worthy cause. We have contacted a local shelter in Bushnell, Florida that is in dire need of help.

The Refuge at Jumper Creek, Inc is a 501 (C) 3 nonprofit that provides emergency housing for homeless families and dedicated housing for Veterans. At the time we spoke with Jim Krom, Executive Director, they had a total of 40 people, 27 which were under the age of 15. They are in need of almost everything a family needs to survive.

The following are the suggested most needed items at this time. Socks for all ages, food, toilet paper, paper towels, cleaning supplies, 13-gallon garbage bags, wash clothes, towels, pots and pans and they especially need men's pants and men's clothing of all sizes. Clean used items are acceptable. These are just suggested items so any other items you may have would also be appreciated.

When people leave the facility, they are allowed to take things with them such as wash clothes, towels and pots and pans. These are provided to give them a head start in their new location.

Ladies this is a chance to clean your husband's closet of all those clothes you have been wanting him to get rid of. Please bring whatever items you can to our rally.

We are very excited to help this organization as they are a Christian based facility and providing a much-needed service in the Bushnell area.

If you would like to learn more about the facility you may go to their website at www.therefugeatjumpercreekinc.com.

Thank you for whatever help you can provide.

Thanks

Richard and Penny Smith
